PROGRAM DESCRIPTIONS

Family Fun Outdoors (0 to 6 years):

This program provides the opportunity to visit local parks and outdoor spaces. Parents, caregivers, and children can come and enjoy some fun and interactive outdoor physical activities. Studies show that children who play outdoors are happier and healthier.

Family Stay & Play (0 to 6 years):

Parents, caregivers, and children are welcome to engage in a variety of fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while providing parents and caregivers with an opportunity to connect with others.

Fun with Science (1 to 6 years):

Every child is a born scientist! This program offers fun, hands-on, interactive, and educational science experiments and ideas for the whole family.

Fun with STEAM (2 to 6 years)

This program invites parents, caregivers, and children to explore STEAM skills and concepts in a group setting. STEAM (science, technology, engineering, art, and math) learning happens every day as children investigate, play, communicate, and try new things.

Little Artists (2 to 6 years):

Welcome to Little Artists! This program inspires the adult to nurture creative kids through easy, open-ended, and fun activities. It's the kind of activity that children will want to do over and over again.

Musical Babies (0 to 12 months):

This program welcomes parents, caregivers, and babies to experience music together. Families will gather together and sing songs, learn rhymes and use a variety of musical instruments, props, and materials.
