### PROGRAM DESCRIPTIONS

**Art in the Park** (1 to 6 years) This program welcomes parents, caregivers, and children to be inspired by the process of creating masterpieces together, using recyclable materials and loose parts found in nature.

**Family Stay & Play** (0 to 6 years) Parents, caregivers, and children are welcome to engage in a variety of fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while providing parents and caregivers with an opportunity to connect with others.

**Family Fun outdoors** (0 to 6 years) This program provides the opportunity to visit local parks and outdoor spaces. Parents, caregivers, and children can come and enjoy some fun and interactive outdoor physical activities. Studies show that children who play outdoors are happier and healthier.

**Fun with STEAM** (2 to 6 years) This program invites parents, caregivers, and children to explore STEAM skills and concepts in a group setting. STEAM (science, technology, engineering, art, and math) learning happens every day as children investigate, play, communicate, and try new things.

**Move & Groove** (0 to 6 years) This program provides an opportunity for parents, caregivers, and their children to engage in active play that supports the development of gross motor skills while having fun. Through a variety of experiences together we will stretch, bend and move to music to support healthy living.

**Musical Babies** (0 to 12 months) This program welcomes parents, caregivers, and babies to experience music together. Families will gather together and sing songs, learn rhymes and use a variety of musical instruments, props, and materials.

**Parent-Child Mother Goose** (0 to 12 months): This program is a group experience for parents and their babies and young children focusing on the pleasure and power of using rhymes, songs, and stories together. Parents gain skills and confidence which can enable them to create positive family patterns during their children's crucial early years. Children benefit from enjoyable, healthy early experiences with language and communication.

**Playful Math** (2 to 6 years): Math is everywhere in our environment! We will use a variety of songs, rhymes, and program that introduces mindfulness to children through yoga poses, and journeys through an exploration of fun movements, allowing each activity how math can be part of everyday play

**NEW**

**Super Men, Super Kids** (2 to 6 years): This is an activity-based program for ad the male figures in their lives. There are 8 sessions each designed to give men and children time together in a fun activity and for men to discuss relevant topics together.
