### PROGRAM DESCRIPTIONS

#### Baby Move & Groove (0 to 12 months):

This program provides an opportunity for parents, caregivers and their babies to engage in active play that supports the development of gross motor skills while having fun. Through a variety of activities together we will stretch, bend and move to music to support healthy living while celebrating developmental milestones.

#### Creative Chefs (2 to 6 years):

This program invites parents, caregivers and children to participate in fun and interactive early learning experiences while preparing healthy and nutritious food. Resources on healthy eating and nutrition will be made available for families.

#### Family Fun Outdoors (0 to 6 years):

This program provides the opportunity to visit local parks and outdoor spaces. Parents, caregivers, and children can come and enjoy some fun and interactive outdoor physical activities. Studies show that children who play outdoors are happier and healthier.

#### Family Stay & Play (0 to 6 years):

Parents, caregivers, and children are welcome to engage in a variety of fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while providing parents and caregivers with an opportunity to connect with others.

#### Family Yoga (2 to 6 years):

Yoga promotes a sense of well-being in the mind and body through movements that encourage balance, coordination, good posture, and body awareness. Parents/caregivers will also model how to channel their emotions through the practice of deep breathing and relaxation exercises. Wear comfortable clothing.

#### Fun in the Snow (0 to 6 years):

This program welcomes parents, caregivers, and children outside to explore what winter has to offer. Participate in various winter activities such as going on a nature walk, digging and building in the snow, and circle time. Please dress appropriately in winter clothing as the program is completely outdoors.

#### Sing & Sign (0 to 12 months):

This program is an introduction to American Sign Language for hearing infants. The session uses songs and games as a tool to include signing in everyday routines. It is an opportunity to bond with your baby and support language development as well as the attachment.

### PARENTING WORKSHOPS

**Triple P:** Family Transition – January 12 to February 9, 5 Session program. Family Transitions is a scientifically researched family support strategy designed to help divorced or separated parents improve their parenting skills and build positive relationships with their children. This program is being offered at the **Woodbridge Main Site**.

In partnership with the **Aurora Public Library**, on the third Thursday of every month **Baby Café** program meets at the Lebovic Room in the library. **Register on Evenbrite for the January 19th session**
