PROGRAM DESCRIPTIONS

Baby & Me (0 to 12 months) - Parents, caregivers and babies are invited to join in on conversations and information sharing on healthy child development. This program includes songs, rhymes and activities, which encourage connections with your baby.

Baby Move & Groove (0 to 12 months) This program provides an opportunity for parents, caregivers and their babies to engage in active play that supports the development of gross motor skills while having fun. Through a variety of activities together we will stretch, bend and move to music to support healthy living while celebrating developmental milestones.

Family Stay & Play (0 to 6 years) Parents, caregivers, and children are welcome to engage in a variety of fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while providing parents and caregivers with an opportunity to connect with others.

Loose Parts (2 to 6 years) Loose Parts play uses materials from around the house! Children are invited to explore everyday objects in imaginative ways. Introducing loose parts play provides endless opportunities to develop early literacy, math, and problem-solving skills

Move and Groove (0 to 6 years) - This program provides an opportunity for parents, caregivers and their children to engage in active play that supports the development of gross motor skills while having fun.
